

NY-GEO 2024

**NEW YORK CITY
NY-GEO 2024
OCTOBER 21-23**

SPONSOR AND EXHIBITOR OPPORTUNITIES

We are pleased to extend an invitation for you and your organization to explore the exciting sponsorship opportunities available with NY-GEO 2024. By participating as a sponsor, you will be elevating your company's presence within the expanding geothermal community in New York State.

Increase Your Impact

The Annual NY-GEO Conference is the largest geothermal conference in the northern hemisphere. As a NY-GEO 2024 Conference Sponsor, you will be placing your company, brand, and message in front of attendees before, during, and after the event. By participating as a sponsor, you will be elevating your company's presence within the growing New York State geothermal community.

Brooklyn, NY, New York Marriott at the Brooklyn Bridge will host a two-day conference with sessions and tracks, the NY-GEO Annual Dinner, and a day of local project site tours. This is NY-GEO's first conference Downstate and will emphasize content on how to address densely populated areas and large commercial buildings.

ABOUT NY-GEO

Who We Are

New York Geothermal Energy Organization (NY-GEO), a not-for-profit trade association, founded in 2014 and representing the geothermal heat pump (GHP) industry in New York State, is dedicated to promoting GHP heating and cooling. Our members include geothermal system designers, installers, drillers, general contractors, engineers, manufacturers, distributors, renewable energy consultants, and industry stakeholders who install and advocate for the use of ground-source heat pumps to heat and cool buildings throughout New York State. NY GEO is the driving force in the mass adoption of Ground Source (Geothermal) Heat Pumps for residential, commercial, and utility-scale heating and cooling in New York State.

Our Reach

NY-GEO presents the largest geothermal conference in the northern hemisphere and in 2024 anticipate exceeding our 2023 attendance of 675 which was more than double the 2023 attendance. In 2024 we expect 1,000 unique attendees between our Albany and NYC events.
